

NEW IMMUNIZATION REQUIREMENTS FOR THE 2010 – 2011 SCHOOL YEAR

Students entering preschool or kindergarten must now have two appropriately documented varicella vaccines or physician documentation of disease (chickenpox) history.

Students entering grades 6 – 12 must have appropriate documentation of the following vaccinations: 1 Tdap Vaccination

1 Meningococcal Vaccine

2 Varicella Vaccinations or documentation of disease (chickenpox) history. For this age group a parent's written statement documenting month and year of the disease will be sufficient.

**Please take your child's shot record with you on your appointment day.
Please make an appointment with your child's healthcare provider or the Jackson County Health Department (phone # 522-6667) to obtain the required immunizations.**

Students in all grades are required to meet the immunization requirements. Immunization requirements extend to children ages 3 – 5 attending special education programs, child care, or preschool within the school.
